THE HISTORY of the POLAND Who We Are

An integral part of Poland, Ohio's heritage is the building known today as the "Little Red Schoolhouse". Originally built in 1858, it stands on its original site at the corner of State Rt. 224 and Struthers Road in Poland Township. In 1915 the building ceased to function as a school, but continued to serve the community in various capacities. In the late 1970's Poland's Board of Education began to consider selling off the building and property as it was no longer needed and had fallen into disrepair.

In 1979, the Poland Township Historical Society was formed under the leadership of Mrs. Dan B. Jones, Jr. and many more interested and concerned residents, for the primary purpose of saving Poland's "Little Red Schoolhouse".

A lease agreement between the Historical Society and the Poland School Board was arranged for \$1.00 per year for a period of 99 years, and thus became the home to the newly formed Poland Historical Society. Poland is the only District in the State of Ohio to still have a one room schoolhouse.

Through the rigorous efforts of Society members, a Federal Grant was secured for restoration of the building along with numerous donations of time and money from the community.

HISTORICAL SOCIETY

The building has qualified for placement on the National Register of Historic Places.

As Poland's Historical Society we are dedicated to procuring and displaying of artifacts relating to Poland's place in history as Town 1, Range 1 in the Connecticut Western Reserve.

Over the years, the Society has offered numerous lectures as well as educational programs concerning a variety of local history and interest.

We continue to plan fund raisers such as our Flower Sale in the spring and of course our popular Christmas Tour of Homes, there has even been some discussion of adding a summer Garden Tour to our fund raising efforts. The Society's future plans include the creation of a Museum in the building known as the "Little Red Schoolhouse" highlighting the diverse and generous donations from our community. We look forward to expanding our role as a valued educational resource for the Poland Community.

Our meetings are held the second Monday of each month at 7:00 P.M. in the Little Red School House, 4515 Center Road. Meetings are open to members as well as the public. You are encouraged to attend.
