

Finding Aid for Poland Families

November 30 2024 version 11.1

These sheets contain summaries of information on families of Poland. Case Y contains folders of individual families. Some information is also stored on top of Case Y in Gaylord boxes and in black binders in Case F. Additional info may be found in the Obituaries binder in case G at the Historical Society. A list of names with obituaries in that binder is included at the end of this document. **Family trees created by Dave Smith in Ancestry.com are listed at the end of this aid.**
